I spoke to a man at the cleaning company., [REDACTED] will come today at 2pm. [REDACTED], please leave an envelope with the codes to [REDACTED] and [REDACTED] for her...In fact, if you could be at the apartments around 2pm to just make sure she is there, that she cleans both apartments and that the dirty linens are all out of the apartments and there are clean towels that would be tremendous.

[REDACTED]: Code [REDACTED]
[REDACTED]: Code [REDACTED]

ALSO, please make sure [REDACTED] (code: [REDACTED]) is completely ready to go as well. If you need extra sheets or towels, please talk to [REDACTED] because she knows where extras are. Ok? really appreciate your help

If the apt is clean and only needs clean linens on the bed and towels in the closet, some trash thrown put, can [REDACTED] just do it today or over weekend rather than have the cleaners come and charge us? Sounds like a simpler solution right? I know [REDACTED] is busy with Jeffrey Monday morning also.

No worries. [REDACTED] will take out linens, but if a cleaner can not come by Monday early morning, then there are spare linens in another apt to make the bed. It's very clean outside of trash and a few bathroom products to be tossed... [REDACTED] is aware of this. Backup plan :)

Hi [REDACTED], a maid will be coming to clean the apt [REDACTED] soon, but if you could before you head to the hamptons, drop the linens off at the dry cleaner. I have already removed them from bed now, but will be leaving at 5a tmrw so I can't finish myself. Thank you!!!
