[REDACTED] had to take JE to [REDACTED] graduation...he dropped JE off and went to go pick up the chair at 81st and Broadway...so that task is being done right now...JE will be back to the house by noon if not earlier I would think... [REDACTED] and [REDACTED] both say they will come to the house at noon...I trust you and [REDACTED] can handle the food and kites. [REDACTED] needs JE's bread also to send down (Eli's right?)

[REDACTED], yes, would be great if you can purchase the extra food needed for the airplane (sandwiches and whatever snacks are usually purchased) Noon is good for arrival..thanks...
