Dear [REDACTED],

That is beyond lovely! Thank you. I love to have fizzy water, green tea, fresh apples and berries,

almonds, almond butter and ezeziel bread, maybe some romaine lettuce and turkey breast and eggs in the fridge. I'm terrible with candy so it's best to keep that stuff VERY far away from me.

I get in at 3.21 JFK on Jet Blue flight 670 on Wednesday the 22nd. Thank you for EVERYTHING!

All the v best,

██████████

Hello ██████████. Jeffrey would like us to have a little food put in your apt for your arrival. What might you like to have around for your stay? Water, OJ, seltzer, apples, cookies, gummy bears, crackers,.. What munchies do you like? Be as specific as you want!! Also, once you have your flight details, pass them along and I will have Jeffrey's driver pick you up. Thanks, ██████████
