You are correct...Michael Jackson , Rings End, is MORE expensive than Nukitchen...Nukitchen will probably be about \$30,000 for cabinets...BUT I want some stained cabinets and Nukitchen ONLY quoted painted white...I have sent an email to Nukitchen asking what the cost would be for stained cabinets (more, less, same)

Lesley,

Sorry for the delay! Attached are two elevations of the kitchen, based on our conversation.

All plywood construction

Inset

All cabinets except peninsula to family room:

Maple

Designer white

Peninsula cabinets:

Cherry

Raisin

\$47,500 plus tax

There is a promotion going thru May 1 which would reduce that by \$2850. Additionally, we have a promotion going thru April 13 which would take an additional \$500 off, bringing the price to \$44,150 plus tax.

Please call me if you have questions.

Regards,

**Michael A. Jackson, ASID**
