Your Fax System Reimagined

Coming soon: Updates to your Fax Service

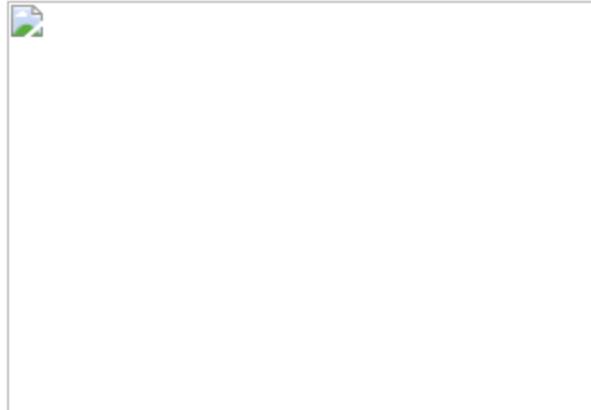

Dear RingCentral User,

Get ready! Your RingCentral Fax service is getting an improved interface along with new smartphone app functionality.

In the coming weeks, you'll see simplified navigation and the ability to change settings on your smartphone app. We'll send you an email when the update has happened. [Watch the video for a sneak peek](#)

Your updated RingCentral Fax service will include:

- A simplified interface that's easier to use.
- The ability to change settings on your iPhone or Android.
- An updated Softphone app with the ability to access and sync with your 64-bit Outlook contacts on your PC or Mac.
- [RingCentral CloudFax™](#) that gives you the ability to fax documents from your Box, Google Drive and Dropbox accounts with just a few clicks.

Some less frequently used settings have been simplified. [Learn more](#)

Visit our [support site](#) for more information on using your new interface.

At RingCentral, we're always working to improve your experience. We hope you enjoy these enhancements.

Thanks!
