Lyn and Jojo have off until Monday May 13...Taylor Visoski wants to stay in an apt May 14-16 (JE has not said OK to this yet, but I'm sure he will) We will then have:

Taylor Visoski in 8A May 14-16 (probably)

[REDACTED] in 10B May 20-June 20

Bobby Slatyon in 11B May 20-23

[REDACTED] in 11B June 3-July 3

[REDACTED] departs for PB on Tues. May 14. I will email [REDACTED] Lyn and [REDACTED] telling them they need to coordinate the pick up of all the linens from the apartments 8A, 10B and 11P with [REDACTED] driving the car and get them to the cleaners. I will have you on the email too.

I look forward to when Lyn's sister is here. It's Driving me nuts.

Also, lyn needs to suck it up until her sister is here and help while I am gone. Please let me know if you need me to get in touch with either of them and tell them that Jeffrey has instructed they help.

I don't think the pilots will be back until towards the end of the mont, so probably good to have cleaned just in case. Also, [REDACTED], the bed in 11P has come unfastened in the middle and needs to be rehooked together. I want to ask if one of the maintenance guys can come and fix today Will you be around? Can I try to set this up for today or tomorrow? Please let me know what works for you. Also, all the apartments really need to be double checked to make sure there are no dirty linens hanging around, that linens are on the beds and towels in the closets. Do you think you could have a look for this as well in:
