George, when our house is enclosed (with windows and doors) our insurance carrier requires us to have an alarm on the house...are you familiar with this type of alarm for construction? Once installed we need to supply a certificate of installation to CHubb...Could you provide a quote for this as well?

Thanks, Lesley

I could meet at 2 pm Saturday, or on Sunday morning until around 10:30 or after 2:30. If those windows work for you

George,

My wife and I are building a house in New Canaan. We live near Nick and Barbara Newman. Do you have some time for a call in the next few weeks.

Our house is currently in the framing stage so I am not sure at what point you would need to get involved.
