buying the toothpaste is not an emergency...you can do it when you have time and bring to the house and put with the other items you purchased. Let me know when it is done though. thanks

Hi [REDACTED] Thank you for shopping yesterday! When you get the toothpaste, bring it on over.

I want to make sure you also always keep \$500 cash in your purse at all times as well...this is per Jeffrey's request. Do you have the money now? or do you need to get this from [REDACTED]?
