Your Fax System Reimagined

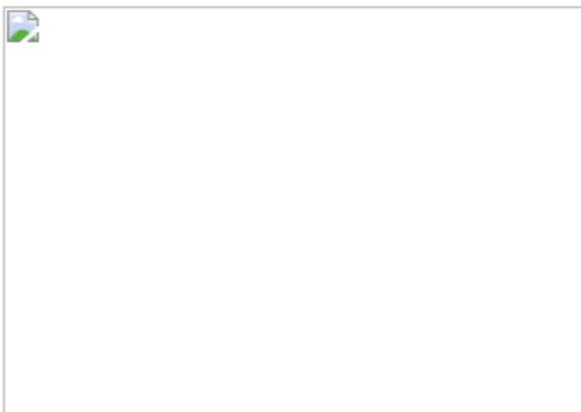

Updates to your Fax Service

Dear RingCentral User,

We've upgraded your account to our new platform. You'll now experience simplified navigation and better organization of key features – all with the same great functionality you enjoy today.

Your RingCentral fax service now includes:

- A simplified interface that's easier to use.
- The ability to change settings on your iPhone or Android.
- An updated Softphone app with the ability to access and sync with your 64-bit Outlook contacts on your PC or Mac.
- [RingCentral CloudFax™](#) that gives you the ability to fax documents from your Box, Google Drive and Dropbox accounts with just a few clicks.

What should you do?

- [Check out the video](#)
- Download the latest version of the [iPhone app](#) or [Android app](#)
- Download the updated version of the Softphone. [Download now](#)

More Resources

Don't forget, some less frequently used settings have been simplified. [Learn more](#)

Visit our [support site](#) for more information on using your new interface.

At RingCentral, we're always working to improve your experience. We hope you enjoy using these enhancements.

Thanks!
