---

Hi [REDACTED],

We are missing very basic tools. If there is a Sears near you could he pick up 3 mechanics tool sets like in the link below?

[http://www.sears.com/craftsman-540-pc-mechanics-tool-set/p-00936540000P?prdNo=5&blockNo=5&blockType=G5&blockNo=5&blockType=G5&PDP\\_REDIRECT=false&s\\_tnt=39869:4:0](http://www.sears.com/craftsman-540-pc-mechanics-tool-set/p-00936540000P?prdNo=5&blockNo=5&blockType=G5&blockNo=5&blockType=G5&PDP_REDIRECT=false&s_tnt=39869:4:0)

If no Sears or they don't have that set, anything similar would help.

Thank you

Roy

Roy: Jeffrey is asking if there are any tools Danny might need? any machine parts or bike parts needed that Rich Barnett could run out and buy for you quickly today?

Jeffrey is to leave the house at 4:30 today...so any requests need to be given asap.

Thanks, [REDACTED]
