Hi Larry,

Attached please find the quote you have requested for this Friday, May 3rd. Please keep in mind all quotes are approximate and final bill is based on actual flight time.

If you are interested in booking this flight please sign the attached quote and send it back to us. We also, need the attached Credit Card Authorization filled out.

I will give Bards College a call and let them know we may be arriving on campus via helicopter.

Please let me know if I can assist you with further details.

Hello AAG,

Do you have S76 available for Friday from E34st pad to Bards Collage by POU ?

Same itinerary as we previously had set up for Jeffrey Epstein, Freedom Air International account,.

Noon pick up on E34st to Bards and return 4pm to E34st same day.

Let me know,
