Hi Jojo...Jeffrey just called ...he wants you to come pick up money from Bella for [REDACTED] rent and then go and pay the landlord...

[REDACTED], can you please let us know how much your rent is and the name of your landlord as well as the address Jojo is to take the money to?

Also, Jojo has off today and tomorrow...when is your rent due? Can he take it on Wed. May 1st or is it imperative it is done today?
