Bobby Slayton is following up on his trip to NY and the dinner he is hoping to put together at your house...Bobby will arrive Mon. May 20 and goes upstate on Thurs. May 23...he is hoping for a dinner on Wed. May 22 (he has a radio gig on Tues. May 21 night) Bobby says Lewis Black is in for the dinner(unless Jon Stewart/Comedy Central calls)

On your last tentative schedule, I show you to be on the island from May 15-27...

please advise...
