[REDACTED] totally understand. I am positive you overdo it with your foot!

I think Eva wants the girl in ASAP but JE has not answered me. I will ask him again today. If the guys could fix the bed today it would be great though. Cause then the girl could move in either later today or over weekend

And ok on Sebastien

It is very easy to fix but unfortunately I won't manage lifting the mattress off to do so with my leg. I am going to see if some of the guys in the building can help tomorrow. When does the girl come?
