Hi Mika...I was able to find this original correspondence today!! I see that Joi made the introduction for Jeffrey to Hugh and Ed and it is actually Hugh and Ed I need to let know Jeffrey will not be available to come visit april 27th! Sorry for the confusion...Do let Joi know that Jeffrey will not be able to come as well too however, I believe he wants to be kept in the loop. Jeffrey is hoping to visit around May 2,3,4.

Hey Jeff. Let me know if you're still going to be in town on the 27th. I think you'll enjoy meeting Hugh and Ed and seeing their lab if you have time.

Hey all, Jeffrey's in Cambridge on the 6th and on the 27th of April. I'm out of town, but if you're around, it might be worth meeting.

Jeffrey, Ed and Hugh are working on the Center for Extreme Bionics which would probably be interesting for you.

I'm also adding Nicholas and Marvin to this thread since they're now both much more engaged at the Lab than they have been before I came and I know you know both of them.

But lets also definitely plan a trip when I'm in town and I'll try to hunt you down in NYC as well.
