Paul Morris has an appointment tomorrow with Leon's advisors in the afternoon and was hoping to speak with you for 5 minutes before this ...anytime today or tomorrow would be great. Paul is at an offsite meeting today and tonight and on his cell..he says he can slip out whenever to take a call from you, but if he could have a little heads up would be great. Or you could call him tomorrow in the morning would be fine too...he says whenever convenient for you..

Please advise a window of time/day you would like to call Paul and I will let him know.
