Hello [REDACTED] and [REDACTED]. Sorry to bother you. Jeffrey is asking if it would be ok to bring along Bill Gates assistant, Boris Nikolic and [REDACTED] to the lunch tomorrow on Richard Branson's island. I do not have contacts for Branson. Might you be able to either pass along an assistant information to me or get this message to them? Would really appreciate any help. Thanks, [REDACTED]

[REDACTED] might you have info for branson? I only have: [REDACTED]  
And my msg has come back undeliverable.)
