Hi [REDACTED],

He said we might have guests this weekend. Other than that, all our info has come through you. Sorry we aren't much help on that. We will let you know if we hear anything.

Hi Roy and Steph. Just wondering if you have heard anything about dean Kamen? Did JE invite him to stay on the island Sat night? I have been coordinating with his office to bring [REDACTED] and [REDACTED] to Stt on sat and [REDACTED] just kind of assuming Jeffrey invited Dean to come and stay one night? I know he is due to leave on Sunday but don't know time. Any info you have would live to know to be in the loop. [REDACTED] sure y'all are quite busy with JE there!!
