Ms. M does not recall where she had the slippers made as it was a very long time ago. She believes that any leather person would be able to do the same and also thinks that Prada is making those types of slippers.

Hi [REDACTED],

I've sent a message to Ms. M. I never had this done for her so unfortunately I cannot be of any help. I will let you know once I hear back from Ms. M.

Hope all is well!

Hi [REDACTED],

Could you please forward this message to Ms. Maxwell's assistant..

Mr. Epstein has black suede slippers lined with chinchilla fur inside and metal strap on top, that he believes has been custom made by Ms. Maxwell, he wants me to copy them. It would be very helpful if Ms. Maxwell could kindly give me the information on how to copy the slippers. I do not have a picture of the slippers at the moment, but I will make sure to send it if needed.

Thanks a lot,  
Karyna.
