FYI-Larry V says JE told him either Friday night or Sat. afternoon to LSJ...

Roy/Steph: I know JE has an appt at FTC on Monday, April 8th morning at 8:30am with Andrew Farkas...I still have not heard from JE if Andrew will be staying on the island with him the night of Sun. April 7th ...or maybe he is hosting him for dinner?? Not sure...I spoke to Andrew's assistant and she says Andrew asked her to book him a room for Sunday night...just trying to give you as much info as I know...
