Hi [REDACTED]...did you have 11P cleaned after Larry left? also, what is happening with 8A?

Do you know if [REDACTED]'s sister is going to start working for JE and taking care of the apartments and helping Lyn? I am pretty sure Rich Kahn spoke to her and offered her a position...

Also, if [REDACTED] is going to stay on as JE's assistant, I wonder if she should move to 11P (the studio) so we have the larger apartments for guests??
