Hi,

if we stand true to our departure of 4pm Sunday, here is the plan,

depart Paris Le Bourget 4pm, flight time (6+35min) land Bangor Maine for customs and re-fuel.

Depart Bangor Maine 6:30pm local time, (flight time 1+00min) arrival Teterboro Atlantic Aviation is estimated 7:30pm,

I will confirm weather will be good for Bangor Maine on Saturday, in case I decide to choose alternate airport for fuel stop,

thx

Larry
