Hi Gini. I Recd the below from our pilot Larry. But as you can see he says it could change. The tail # of plane is still N909JE. I need him to confirm FBO's too(he did not provide them, but they are probably the same as last time)

Subject: NY arrival estimates

Hi,
if we stand true to our departure of 4pm Sunday,. here is the plan,.
depart Paris Le Bourget 4pm,. flight time (6+35min) land Bangor Maine for customs and re-fuel.
Depart Bangor Maine 6:30pm local time, (flight time 1+00min) arrival Teterboro Atlantic Aviation is estimated 7:30pm,.

I will confirm weather will be good for Bangor Maine on Saturday, in case I decide to choose alternate airport for fuel stop,.

thx
Larry
