Hello Janusz...Jeffrey would like you to come to NY the week of April 22 so you can drive one of his friends around NY city in the Bentley and be at this gentleman's disposal. His name is Warren Eisenstein and he is an old friend of Jeffrey's. He will be staying at 301 (I believe with his wife) from April 23-28...I think you should come in on the 22nd so you can be available to fetch them from the airport on the 23rd...

ok.... :)
