Subject: JE would like you to ...

Date: Wed, 27 Feb 2013 16:52:58 +0000

HI Larry...JE would like a weather report for tomorrow...he would also like you to start researching a heli for tomorrow to take him to Bard University. Jeffrey says maybe he would go up early (if his 4pm can't make tomorrow)

(Leon Botstein, the president of Bard, told JE that if he came up early he could show him around the campus...the rehearsal is from 7-10pm as I had stated before...)

thanks
