JE now tells me that he will go see Bill Gates from 2-3:30 on Wed. Feb. 27th at Four Seasons (same place he met up with Gates last time) Then he will see Bill Gates again at 10:15pm...not sure if this will be at the house or some place else...

JE also says he might see Gates again on Thurs. Feb. 28th at 2:00 and then possibly on Friday fly to PB with Gates as his passenger...

(which makes me wonder what happened to the lunch at 1pm on Friday march 1 with Gates and Woody Allen!)

Obviously, this is all up in the air...I think JE would like to be around for whenever Gates may have free...we will see as things unfold!
