Hi Jojo...when you return back to the house, please come see me for 2 fed ex packages that need to be taken to fed ex: one box, which needs a clear packet holder for the shipping label...you can get this when you are at the fed ex store...and one fed ex envelope. You can carry it all for sure.

If the Fed Ex store will let you take some of the clear packets bring some back to me...10 would be great.

Thanks, Les
