Yes, I agree, I am going to pop up to caravaggio and order for tonight. I was just about to email you to check if JE asked you to get in contact with soon yi regarding plane snacks. I dont feel comfortable leaving it until jen jen is back in the city. I would at least like to get some idea of what direction we are going in other than the usual things

Great. Caravaggio. [REDACTED], let me know if you need me for any of this or if you have it handled. Also, let me know about plane snacks. I know Jen said she can manage after her arrival today, but we should at least have an idea what to get from Jeffrey if possible. Thanks!
