I am still waiting on [REDACTED] to get back to me with the answers to our questions. I have about 3 other couples who I am also asking the questions to for you. Sue thanks for your contract- simple but I have 8 months replacement on/with another head hunter I have used. I actually always get 9 but we settled on 8. So please reflect the same 8 months in your proposal. Also, will you have answers today for my below questions?

Sue,

Can I get a handle on his estate care – what size, how many people on staff? These are permanent questions always want to ask. Need more information about electric, sewer system, gas, water meter, or was it reverse osmosis so 500 gallons a minute?

The grounds – what location did he take care of – big differential depending where located ie Florida vs Caribbean vs Arizona. So where were the grounds located and some more information on the grounds and staff. How many staff, how many oversee, what were responsibilities of staff and individual responsibilities?

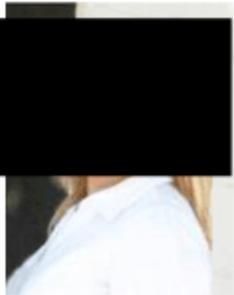

They are a couple – so what are the responsibilities and how are responsibilities differentiated between the two and explicitly how divided?
