Dear Martin,

Let us be on first-name basis.

I am now in NYC visiting Columbia University.

If Jeffrey Epstein lives in New York of often visits here, I shall gladly meet with him.

I am right now in my office [REDACTED], for the next 15 minutes or so. In about an hour I shall be at home [REDACTED].

If you so wish we can talk over the phone and you can indicate how I might help with Jeffrey.

Best,

Michael Rabin
