Hi Leslie,

I couldn't answer the phone as I was on the other line. You can see our office address under my name below. If Karina is coming by train she can take **the green line (4 or 5 train)** and get off at **Bowling Green** station. If the green line doesn't work for her, then **White Hall Station** on the **R line** would also work. Our building is at the end of Broadway, right across from the Bull Statue. She should be able to see the statue when she gets out of the subway.

If she's coming by cab, it should suffice her to just give the address.

Thanks,

Demet
