Hey Bella. 11J is still a disaster zone and won't be ready yet for Time Warner tomorrow. I won't have time to put the TV and everything else in place for tomorrow. Perhaps they could come and do 3M instead for [REDACTED]?

Hi [REDACTED],

I am on the phone with Time Warner. We don't need to return the boxes, we have to take it in the new apt and a technician from TW will reconnect. There should be 2 cable boxes, fax modem, internet modem, 2 remotes. I made an appointment for January 24 between 12-2 PM.

Thank you!  
Bella
