Morning Martin...at the moment Jeffrey is looking at a departure from NY at 11:30am, which would put him in to Bedford at 12:11...how long is the ride from the Bedford airport to your Institute? I am working on his first appointment to start at 1:30...maybe you should be at the institute by 1:00 to receive him?

Tentative Schedule Sat. Jan 26th:

1:30 Seth Lloyd
3:30 Marvin Misny & Gloria Rudish (Confirmed)
5:00 Henry Rosovsky (Confirmed)
6:00 Martin Nowak

Tentative Schedule Sun. Jan. 27th:

10:00 George Church
12:30 Lunch with Howard Gardner (Confirmed)
2:00 David Gergen

I am still waiting to hear back from some of the above people...what about Ed Boyden from MIT? Did JE request to see him or anyone else from you?

Karyna will be traveling with Jeffrey and will handle letting the guests in to your institute. I have cc'd her here so you have her email address. Karyna's cell is: [REDACTED].
