Hello Lynne. Jeffrey Epstein is planning to attend Leon Botstein's Dress Rehearsal on Friday Jan. 25th between 11-2:00. I understand you will have his name on the security list...I will make sure he takes his ID with him...I also want to confirm he is to enter Carnegie Hall through the stage entrance on 56th Street, correct?

If he happens to bring along a friend, would that be ok? Would you need this person's name prior to arrival?

Please let me know.

Thank you,
