Hey Phillipe ...Jeffrey says the earlier the better for sure...so if it is 6:30 that would be great (or earlier, but Jeffrey does know you work!)

The Princess of Norway is staying at Jeffrey's house and he would like you to cut her hair too! :) I think they all have to leave the house by 8pm...

If you need to contact the house for any reason, it is best to try Sue on her cell (she is with him) [REDACTED]...the staff line at the house is [REDACTED]

:) thanks, lesley
