Hello,

I wanted to take this opportunity to wish you a happy New Year and ensure that your RingCentral Fax system is meeting your business needs.

I thought you'd also be interested in some of the exciting things going on at RingCentral:

- **RingCentral featured on CITEworld! Did you know our premier product is actually a complete business phone system?** RingCentral Office was recently highlighted in an article by CITEworld, an online resource for IT professionals and business leaders. [Learn how businesses are benefiting from RingCentral Office>](#)
- **Winter phone sale—ends March 31st.\*** We want to make it even easier for our customers to get started with RingCentral Office. **When you upgrade your account, and buy a desk phone, we'll give you the second phone free (\$100 value).** In fact, you can get up to 10 free phones.

Let me know if you'd like to discuss any of the above—I'd be happy to help you.

Regards,
