do you mean is there any time that doesn't work on the 15th? I think Jeffrey was hoping for dinner...he has the evening of the 15th open, but could do lunch this day as well...Jeffrey will be in NY this whole week it looks like...we could look at dinner on the 14th as well if that worked for everyone...

Good morning. Jeffrey says unfortunately the 28th is very unlikely and asks if possibly they could do separately the week of the 15th (assuming the issue is they can't make it together). Let me know. Thanks, lesley

Hello Dr Magnani and Happy New Year. Jeffrey is asking if it might be possible to have the dinner with you, Dr Lamster and Dean Ronnie Myers the week of Jan 15th instead of on the 28th. Might a night work for everyone? So sorry to be asking again!

Lesley
