Hello, [REDACTED] – a very Happy New Year to you too!

Thanks for clarifying your current email address. I have deleted the old one that Lea used and have copied her in so she knows [REDACTED] is the correct one going forward.

Just so you and [REDACTED] are both aware, Lea has taken over from Denise Jackson who retired at the end of last month. Lea is now organising all of Eduardo's day-to-day appointments and travel so she will wait to hear from you once Mr. Epstein has indicated his availability.

Thanks very much for your help.

Good afternoon,

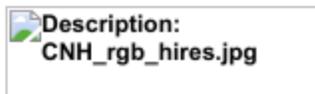

Eduardo will be in New York on Sunday 13<sup>th</sup> January (he will be arriving on this day from London) – then travelling on to Detroit.

He would very much like to meet with Jeffrey for dinner that evening. Would Jeffrey be available?

I look forward to your reply.

Kind regards.

Lea
