Hello again!

Thanks for sending this option too. I think you are totally right about the connection time being too tight and it is really early in the morning. By the way, how long will it take to travel from Mr. Epstein's island to the airport on Saturday? That would be helpful to know.

Please see the information that you requested regarding city/state of birth and US address for Leon:

Leon's birthplace: [REDACTED]
Citizenship - USA

Leon's home address:

Leon Botstein
Bard College

Mailing address:

I also just found a much clearer pdf of Leon's passport. I am sending this along as well.

Thanks again for all of your help. I'll be back in touch soon.

Best,

Annemarie

The earliest flight out on Sat. Dec. 22nd is as follows:

Cape Air depart at 6:45am arrive San Juan at 7:18am

Delta depart at 8:15am arrive JFK at 11:27am

This is a tight connection however!! Something to think about..The next flight out is the 8:45am I informed you about earlier~!

ALSO, I need to know Leon's US address and his city and state of birth for Leon Black's office.

Thanks and Let me know what Leon decides!

Good Morning [REDACTED]:

Thanks for the information about the plane for Thursday's travel to St. Thomas. Per your request, I am sending along a pdf copy of Leon's passport. Please let me know if you have trouble opening the attachment.

I still have to ask Leon about the return trip on Saturday. Would it be possible for you to give me some more information about the Cape Air flight(s) that you mentioned yesterday? I want to give Leon all of his options for travel on Saturday. I believe the only direct flights are in the afternoon on either Delta, American or United.

Thank you so much for all of your kind assistance.

Best,

Annemarie

Hi [REDACTED]

Thanks for the information about the air travel on Thursday. Were you able to find out which airport the plane will be departing from? Will Leon be traveling with other passengers? Will Mr. Black be on the plane as well?

I will talk to Leon about which flight he would like to take back to New York on Saturday and will let you know as soon as possible. I'll also send you Leon's passport information very soon.

Thanks,

Annemarie

More info for you regarding Leon Black's plane. The tail number of the plane is 624-[REDACTED]. Leon Botstein should arrive at least 10 minutes before take off (so by 9:50am) The estimated time of arrival to ST. Thomas is 2:30pm. We will have Leon picked up and taken to Jeffrey's island...all will be taken care of!

Do let me know what flight Leon prefers to take this Saturday Dec. 22nd and I will take care of the booking.

As we spoke about before, I will need Leon's passport information but also make sure he has it with him for this trip! He will need it!
