AT&T Order Confirmation - iPhone ®

Dear Jeffrey Edwards,

Thank you for your recent order. Your iPhone will ship in approximately 3-5 business days*.

You can check the status of your order anytime by clicking [here](#) or by calling our automated system at 1-866-339-3888 and entering 461203423 when prompted for the order number.

Your Order Details:

Order Transaction Number: V500-OY-1768135

Item Name	Quantity Ordered
Apple IPH 5 16GB BLK PHONE	1
Various SIM	1

As a reminder, we authorized the funds to cover your purchase when the order was placed. However, your credit card will not be charged until the order is shipped. As previously stated, debit cards may not be used for pre-orders. Because your account would not be debited until the device is ready for shipment, use of a debit card could result in AT&T having to contact you again to get the card number, overdrafts and bank fees that AT&T will not refund to you and a delay in shipment of the device.

We value and appreciate your business. Thank you again for choosing AT&T, the nation's largest 4G network.

Sincerely,

AT&T

*The actual shipment date and receipt of your order is not guaranteed and may be subject to delays for reasons that include, but are not limited to, product availability, inventory, credit issues and completion of other required AT&T business processes.
