Morning Lyn. Heads up... We are going to need you to check out all the apartments ...double check they have been cleaned properly, soap in dispensers etc and put clean linens on the beds and towels in the closets and in bathrooms. Sue was having the laundry done and delivered to the apartments. She thought it should be at 301 by today or tomorrow. Perhaps you can call the doorman and ask today if the cleaning has arrived Please let me know !
Thanks so much
