The flight would land 2:30 STT time (1:30 our time) The actual flight time is typically 3 hours 25 min. Commercial flights always have to pad their flight times due to delays, etc...

do let me know as soon as you can about which flight Leon will want to take...i start to worry that the First Class seats will be all taken up! Or even worse, a flight sold out...busy time of year you know!

Good Morning [REDACTED]

I just wanted to check in with you to let you know that I still haven't confirmed which flight Leon will take on Saturday, but I will be talking to him soon.

I had one quick question for you about the flight tomorrow. Does the plane land at 2:30pm or 3:30pm (St. Thomas time). I was looking at the flight time for the United flight on Saturday and it says 4 hours and 28 minutes. Is the private charter flight time the same?

Thanks. Talk to you soon.

Best,

Annemarie

Hi [REDACTED]

Do you have a cell phone number for Mr. Epstein that I can note in Leon's agenda for the trip? I am putting together a list of all the contact numbers that you gave me to give to Leon and it would be helpful for Leon to have Mr. Epstein's number as well.

Thanks,

Annemarie

it will be via boat.

sometimes they take a helicopter, but I have not heard of Jeffrey's pilot going to the island or any coordination of a heli...so it will be boat! It is nice that [REDACTED] will be there as well for she has made this trip many times!

Just out of curiosity, how will Leon get to Mr. Epstein's house? Will he be taken by boat? Or will he take another flight to the island?

Leon will need to leave Jeffrey's island about 2 hours 15 minutes prior to his flight departure. (so for the 8:45am flight he would need to depart by 6:30am ...REMINDER! St.Thomas did not Fall back with the time change...so they are an hour ahead of us...when it is 6:30 am on the island it is 5:30am for us on the mainland...)

Thanks Annemarie...I have forwarded the passport copy to Leon Black's office. The flight that I mentioned yesterday and sent to you was actually on American at 8:45am through San Juan and on in to JFK, arriving at 2:50pm (did you receive that email from me?) I can call American Express and ask about other early morning flights out...will get back to you...

Good Morning [REDACTED]!

Thanks for the information about the plane for Thursday's travel to St. Thomas. Per your request, I am sending along a pdf copy of Leon's passport. Please let me know if you have trouble opening the attachment.

I still have to ask Leon about the return trip on Saturday. Would it be possible for you to give me some more information about the Cape Air flight(s) that you mentioned yesterday? I want to give Leon all of his options for travel on Saturday. I believe the only direct flights are in the afternoon on either Delta, American or United.

Thank you so much for all of your kind assistance.

Best,

Annemarie

Anything else, just ask!

Hi [REDACTED],

Thanks for the information about the air travel on Thursday. Were you able to find out which airport the plane will be departing from? Will Leon be traveling with other passengers? Will Mr. Black be on the plane as well?

I will talk to Leon about which flight he would like to take back to New York on Saturday and will let you know as soon as possible. I'll also send you Leon's passport information very soon.

Thanks,

More info for you regarding Leon Black's plane. The tail number of the plane is 624-N. Leon Botstein should arrive at least 10 minutes before take off (so by 9:50am) The estimated time of arrival to ST. Thomas is 2:30pm. We will have Leon picked up and taken to Jeffrey's island...all will be taken care of!

Do let me know what flight Leon prefers to take this Saturday Dec. 22nd and I will take care of the booking.

As we spoke about before, I will need Leon's passport information but also make sure he has it with him for this trip! He will need it!
