Yes, send the dirty ones to the same cleaners would be great... We need to check on the other linens and towels that are supposed to be there for the other apartments. [REDACTED] was under the impression they had been delivered as well.... What is the name and phone number of the dry cleaners?

Please check

10B: 95818  
10N: 67451  
11B: 7931  
11P: 20334

Sounds like 11P should be complete with fresh linens and towels already on the bed and in bathroom ready to go...but I do not know for sure. 10B, 10N and 11B need the fresh linens and towels for sure. Thanks!

>> Morning Lyn. Heads up... We are going to need you to check out all the apartments ...double check they have been cleaned properly, soap in dispensers etc and put clean linens on the beds and towels in the closets and in bathrooms. [REDACTED] was having the laundry done and delivered to the apartments. She thought it should be at 301 by today or tomorrow. Perhaps you can call the doorman and ask today if the cleaning has arrived Please let me know ! Thanks so much
