Good morning, [REDACTED].

I heard from the wine merchants overnight and Mr. Epstein's case of wine should be delivered next Monday 17th December. If you could please let me know once it has been received I would be most grateful.

Thanks a lot and have a nice day.

Bye for now,

Karen

Hi, Ladies J

Long time no speak to either of you. I hope you're both well?

It's that time of the year again and I just need verification of where to send Mr. Epstein's Christmas wine case. Please confirm as soon as you can so that the order can be placed and won't be late being delivered. Sorry to rush you (I don't mean to!) but our wine merchant is waiting for details. Also, could you give me a contact number to go with the delivery address so that if there are any unforeseen problems the courier has somebody he can phone.

Thanks a lot and hope to hear from you soon.

Kindest regards,

Karen
