Date: Thu, 29 Nov 2012 15:00:09 +0000

I have changed JE flight again and confirmed him and [REDACTED] on the 7.10pm flight out of JFK tonight. It is currently showing departure at 7.40.

It is supposed to land at 8.25am at Paris Charles de Gaule tomorrow November 30th, but may be late as it is taking off late.

I will forward the ticket once I have it which should be shortly
