Ty is available and would love to come for a play date ... He has extra gym class I signed him up for from 12-2 and Gloryana will pick him up from this and could then drop him off at your house (so like 2:15). Sound good?

Hi Lesley -

Cooper loved seeing Ty this evening at the holiday stroll! Is Ty available for a play date here next Tuesday, 12/4 right after school or even later in the afternoon at 3:00?
