I did not book Jack, Lang, Ian or the other guy... I did remind him of these people today when he had me change his ticket. I gave him all his Wednesday reminders in fact just in case. ... But he did not ask me to do anything! Hoping he does so himself or maybe he asks me to do something tomorrow?

And last I heard he wanted Larry to fly the Boeing to these places. I sent Larry JE's hotel confirms today. So he has those.
