We need a 30% deposit for this. The remainder gets paid when the walls are on site.

Subject: Revised Proposal

Robert,

Attached is the current pricing for your project. Wayne and I discussed a few changes this morning that are reflected in the attached proposal.

We, unfortunately, are not providing bolts for sill plate at this time. If I can be of assistance in finding a location in the New Canaan area for these please let me know, I'd be happy to help.

Thanks,
Tami

Hi Art,

I forgot to mention that Robert will be going with a double sill plate so please provide long bolts.

Thank you,
