ok, [REDACTED] are working on it...I was married at 33 and very happy about it. But yes, get the thinking on it!

Things sound great for you (well, besides the proposal stuff...it will come) but you are right to get your resume in tip top shape

We are at [REDACTED] (I told you incorrectly in prior email!) We have to announce you or else you can't come up,,,so if you do come, let me know before hand! would be great to see you! I also get to work from home when Je is away, so double check I'm in [REDACTED] ...i don't want you to come and miss ya!

Take care, [REDACTED]

Oh wow so glad to hear everything is going so well! Your new office is also near my school so I will still try and stop by some time! let me know the exact address!

I am still interning at the [REDACTED] and I just recently joined a new organization that is just now getting off of its feet called the Tribeca Trust. Trying to beef up my resume and get as much experience and exposure as possible! I think I will look for an actual job though come January...being a broke [REDACTED] year old intern is losing its charm haha
Actually let me know if you guys need any help at the new office! I will only have class an hour and a half 2 days a week next semester!

I am still with my boyfriend [REDACTED], it has been almost 3.5 years! I am getting up there in age [REDACTED]! I'm [REDACTED]! He needs to make moves soon :)

Anyway please keep in touch and definitely let me know what days your in the office and I'll stop by! I have breaks on Tues and Thurs for 3 hours from 2-5pm

I'm happy to hear you are almost done with school...are you still working at the nonprofit place? ...and you are young...you don't have to be married yet! Is the boyfriend the same one or do you have a new one? ;)

Our office has moved (THANK GOODNESS) We are now at [REDACTED] in a REAL office building. A thousand times better than those apartment offices!

I will let Jeffrey know you say hi and were checking in...Miss you too...things are so very different these days...but all is good here too....take care, [REDACTED]

Almost finished with school though so that's exciting!

I never made it to see you at the office but I will try and come at some point while I am still at [REDACTED].

Please tell everyone I said hello and please tell Jeffrey I said hi too! I passed by our old office the other day and missed you guys!

Hi [REDACTED],

How are you?! How are [REDACTED] and [REDACTED] doing!? [REDACTED] must be so big by now!

How is everything going in the office? Please say hello to everyone for me and give Jeffrey another virtual hug from me!

My boyfriend and I are planning a long weekend trip to St. John and it reminded me of Jeffery and reminded me that I wanted to share with him what I was doing now! I'm not sure if you knew but I've been interning at a non-profit organization called the [REDACTED] while in school. The [REDACTED] offers technical and financial services to historic property owners with the goal of preserving historical architecture and historical neighborhoods. We also have a Sacred Sites program that offers assistance to religious institutions throughout NY State. The [REDACTED] has just launched the Jewish Heritage Fund program which I thought may be of interest to Jeffery. It would be really great if you could pass along the information. I think he would like what I'm studying! I've attached an abbreviated version of our Jewish Heritage fund power point and here is a link to our website!

Anyway, hope you're doing well and please keep in touch ! I miss you guys!

btw...thought I'd share my fave lunch place is still just salad and i order 2 pieces of break like you used to haha!

Sincerely,
