Hi Anthony and Andrew. Hope you had a nice holiday!

The door for 11P is sticking very badly...it is hard to get in to the apartment...could we have someone put some WD40 (or similar) on the door so it opens more easily? I think [REDACTED] is at the apartments and could meet your man there if you give us a time.

Also, I had emailed last week that we need an exterminator for 11B as well as we need a hole under the sink patched up. Can you let me know when we could get to these items?

Thanks, [REDACTED]
